

# STRIPED with beaded ears

I have a wonderful colleague who I decided to make a handbag for her birthday.

She told me that she likes cheerful colors like yellow, orange, red and blue. I searched for a suitable color matching for a long time until I discovered multicolored spaghetti yarn.

To make the bag an elegant accessory, I added black and blue stripes for easy matching with the outfit. Now she can wear a t-shirt or coat in any color with a black foundation or jeans, because it is represented on the handbag.

Dimensions: approx. 38 x 23 cm

Depth: approx. 7.5 cm

You can place two magnets in the lining, about five centimeters from the edge. This will keep your purse nicely closed.
